Introduction

We create concepts, define lifestyles and manage the delivery of aspirational spaces.

From concept, through to completion, White Circle Interiors have a passion and expertise to establish unique identities within everyday spaces; Avoid Voids – Improve Yields – Enhance Captivation – Boost Retention.

We work with all our clients closely to understand your requirements, and ensure the interiors of your space are designed with style and functionality intertwined, and ultimately meet your business needs.

We take pride in knowing that every single project we complete is considered, executed and delivered to the highest possible standard.

With innovative thought and uncompromising commitment to our clients at the forefront of our vision

Art Rental

Our art rental services offer a value for money way of enhancing your space, without the pressure of buying a piece permanently. Get in touch to find an art rental package unique to your needs and requirements.

Bespoke Commissions

Working with a range of artists, in order to meet our clients' needs and requirements. No request is too much. Get in touch with us to discuss your bespoke art commission.

Packages

We work closely with landlords and management agents, to create packages that slot into service charge budgets allowing you to maximise your buildings potential without releasing vital capital funds. Ultimately adding value to your space and improving lettings and sales.
